(If 12 teams are advancing from the prelims, the top four teams will advance to the quarterfinals, leaving the 5 through 12 seeded teams to play off for the remaining four spots, with 5 playing 12, 6 playing 11, etc. According to this rule, the winner of the 5 vs 12 match-up gets the 5 seed, regardless of the margin of victory in the other playoff brackets. Basically, the top-seeded team in each match-up is 'defending' their seed from the lower-seeded team, and if the lower-seeded team wins, they get that seed – the teams are NOT reseeded after the head-to-head match-ups are played out.)

5.3.2. Teams advancing from non-head-to-head brackets will be seeded based on performance compared to all other teams advancing from the same round.

## Official 2017 Season MSXL Rules and Standards

5.6.4. A team will only include scores from multiple events in their ranking if a minimum number of players are the same from one event to the next. (The minimum number of the same player requirement only applies from event to event, not for the whole season. For example, a team may change eight of 12 players from the 1st to 2nd event, and another eight of 12 players from the 2nd to 3rd event, and count all three events even though there may be no players in common between the 1st and 3rd events.)
